

Hi All.

Football Tasmania would like to invite you to become a registered walking football player. This will mean that you will then be covered with our regular player insurance, the same as all registered football players in the state.

Here is the link to what our coverage looks like for registered players:

<https://www.gowgates.com.au/sport-programs/football-tasmania>

The Walking Football registration fee is \$50 for a the 12month period from 1st July 2024 to the 30th June 2025.

Please note that your registration fee will not replace your fee for playing. Various venues will still charge a fee to play. This will vary at different venues and will relate to the hire of courts or grounds.
